Filters across all areas

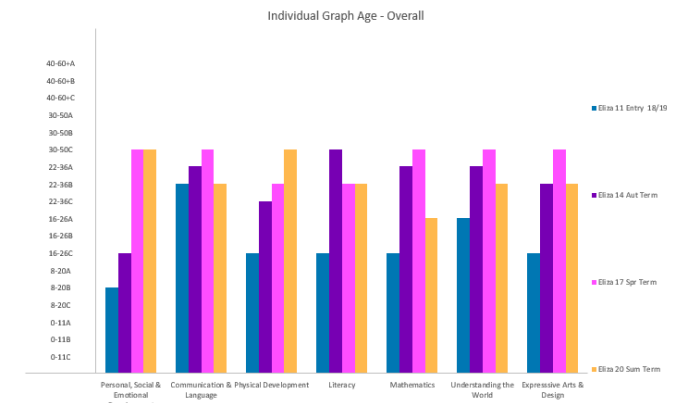

WHAT THE DATA TELLS ME	ACTIONS	OUTCOMES AND IMPACT

Groups to consider when analysing data.

- Pupil Premium
- SEN
- EAL
- More Able
- Funded 2yr old
- Gender
- Key Person/Room
- Summer Born
- Ethnicity

Various Graph Options

Automatic Reporting Options

First established 6 years ago on behalf of Oxfordshire County Council, the tool is now used by several local authorities, many settings, child minders and schools across the Country. The tool can be used to track attainment and progress from Birth to 5 and can be configured to suit individual setting requirements. The tool has received many positive comments from Ofsted inspectors, advisors and settings alike.

*I highly recommend the EYTT as an effective, easy to use tracking tool for the Early Years Foundation Stage. Designed by Oxfordshire EY Advisory Team, EY practitioners and leaders and created by Marczak Assessment Solutions as a tool to assist monitoring progress and attainment of individuals and groups. Settings that have use the EYTT have received positive Ofsted reports as it quickly enables leaders to demonstrate children's progress including those in receipt of EY Pupil Premium. A must for all EY settings and schools!" Michelle Jenkins (EY Lead OCC)*

'They make good use of a tracking tool which enables them to pick up areas of weakness and learning gaps and plan for children's needs accordingly..' (Ofsted – Ladybirds at Riverside Pre-School)

The use of a computer programme which tracks children's progress allows staff to accurately identify their strengths and areas for development' (Ofsted – Hended's Pre-school)

## Annual Purchase Options\*\*

<b>Option</b>	<b>Pre-schools, Nurseries &amp; Childminders</b>	<b>Schools &amp; Nurseries attached to schools</b>
A – Tool, guidance notes and email support *	£50+VAT (full price £80)*	£95+VAT
B – As with Option A and one onsite visit (max 2hrs)	£145+VAT (full price £175)	£190+VAT

\*Onsite visits/training can be arranged at any time and would be charged at the hourly rate of £70+VAT

\*\*Over the last 5 years the OCC Early Years Team has paid for each setting within Oxfordshire to have a copy of the tool along with many free training places. With the move to a traded service, OCC are no longer able to provide this. However, the Early Years team are subsidising the cost for this year to all Oxfordshire Nurseries, Pre-schools & child-minders. This does not include Nurseries attached to schools.
